

# ANNOUNCEMENT AND REGISTRATION

## 22<sup>nd</sup> Zurich Fencing Marathon 2023

Dear fencers

We are delighted to invite you to the 22<sup>nd</sup> Zurich Fencing Marathon. It will take place on the weekend of **10 and 11 June 2023**.

The tournament is aimed for persistent fencers. All participants will have the opportunity to compete in approximately 20 – 25 bouts. The exact mode will be decided on the spot, according to the number of registrations. The participants will fence in mixed rounds. The most successful fencers will continue in separate tableaux – again according to the number of registrations (tableaus of 4, 8 or 16 fencers.) Also for the veteran tournaments, the mode is set according to the number of participants, whereby everyone shall compete in as many bouts as possible.

In 2023, we will expand the Fencing Marathon for the first time by a sabre tournament. The timing allows the possibility to take part in both, the foil **and** the sabre tournaments.
